ENGLISH PRIZE

You're are the tears of my pain  
You're the plan of my life  
You're the ears of my music  
You're the hell of my sins  
I'm the turn and you the rose  
You're the only drug I take

Which of us live in the other  
It's a shame you say ,  
That we may never know  
How far our love can go  
How far our love can go

You're the never of my forever  
The however of my forever  
I'm the spoon and you're the dessert  
You're the insane and me the wise  
You're the eyes of my spy  
You're the blood flowing in my vein  
You're the only drug I take

Which of us live in the other  
It's a shame you say ,  
That we may never know  
How far our love can go  
How far our love can go
